ABOUT THE
PROJECT

RED SUNSET KP

— a private beachfront on the
quiet west coast of Koh Phangan.

The project is created for those who value direct beach access, sunset views, privacy, and modern architecture quietly integrated into nature. A boutique 3-villa community — not a resort, not a cluster. A genuine ocean address.

ABOUT THE PROJECT

Direct beach access
from **your front door.**

Private beach. Private pool. Private villa. The three together, on the same plot, are extraordinarily rare on Koh Phangan.

ABOUT THE
PROJECT

WHY THIS IS RARE:

A private beach on a 3-villa plot.

Beachfront supply on Koh Phangan's west coast is essentially fixed. A 3-unit boutique with direct beach access is not a category that gets built — it's a category that ends.

A rare asset with structural
price support and strong yield.

Net yield scenarios

After 15% management fee. Seasonality on Koh Phangan: only 2 slow months (June + November).

LOCATION

Hin Kong / Sritanu — the
most sought-after side of the island.

Walking distance to everything that matters.

Western shore. Sunset side. Year-round demand. Walkable to Zen Beach, cafés, yoga, gyms and restaurants — the lifestyle infrastructure that drives both rental yield and resale value.

Zen Beach

Walking distance. Anchor of the west coast lifestyle scene — sunsets, fire shows, beach cafés.

Sritanu Village

Yoga, holistic, cafés. The expat & wellness magnet of Koh Phangan.

Hin Kong Beach

Long quiet beach right at the doorstep. The "private" bit isn't marketing.

Restaurants & cafés

From local Thai to fine dining and Western — all within scooter range of the project.

Thong Sala Pier

~20 min by scooter. Ferries to Koh Samui & Surat Thani international airport.

Wang Sai Waterfall

Hidden natural pools 5 min away — quiet days when needed.

WHY RED
SUNSET

Why Red Sunset.

Not a villa. A structured asset with the legal, operational and financial scaffolding already in place.

Chanote title

Highest land title under Thai law.
The clean version, not a
downgraded variant.

Hotel license

Legal short-term rental. Income
asset, not just a villa.

Dedicated management

On-site reception. Performance-
threshold clause — replace if
targets are unmet.

Pre-sale entry

Today's price is the lowest this
asset will be sold at. Pricing
milestones move with the build.

Boutique 3 villas

Real scarcity. Not 25, not 50.
Three.

Turn-key delivery

Furnished, glazed, AC'd, plumbed.
Move in or list on day one.

Transparent payment

4 milestone-tied tranches. No
100% upfront games.

Two ownership routes

Leasehold or Thai Company. Both
legal, both standard.

YOUR BEACHFRONT VILLA AWAITS.
