

KOH PHANGAN · CENTRAL ISLAND

Design your villa.

1 to 4 bedrooms · single or two-storey · your pool, your terrace.
Built to suit, on a full private plot — central Koh Phangan.

THE IDEA

A DIFFERENT MODEL

You don't pick a finished villa. You design one.

Maduwan is **build-to-suit**. You choose a size tier and a design; Zenith — the developer and the builder — constructs it on an available plot. Every design is customizable: pool size, house size, terrace, and one, one-and-a-half or two storeys.

TITLE

Individual Chanote per villa

LOCATION

MADUWAN

The heart of the island. Quiet, green, close to everything.

Not beachfront — and that's the point. A calm, green pocket in central Koh Phangan with the whole island a short drive away. The sea is a 5-minute drive.
